

239400

Industrial automation components

Manufacturer	Eaton
Catalog number	239400
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.45 kgs kg
---------------	-------------

Description

The EATON 239400 product, weighing 0.45 kg, is designed for industrial applications, providing high performance and reliability. Its robust construction makes it an ideal solution for demanding environments. With innovative technologies, this product supports operational efficiency across various applications.
