

AN19KN0A5E100

Industrial automation components

Manufacturer	Eaton
Catalog number	an19kn0a5e100
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Fire Rating	c440
Measurement Range	20 - 100
Signal Level	120 V
Current	90 A
Frequency	50 - 60 Hz
Relay Specifications	90 A

Description

The EATON AN19KN0A5E100 relay features a working current of 90, making it suitable for various applications. It operates at frequencies ranging from 50 to 60 Hz, providing flexibility for integration with existing systems. The fire resistance class c440 ensures safety in challenging conditions. The measurement range is from 20 to 100, and the signal level reaches 120, ensuring high performance. The relay specification also stands at 90, highlighting its reliability in industrial applications.
