

DV4114/2N

Industrial automation components

Manufacturer	Ebm-Papst
Catalog number	dv41142n
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Voltage	24 V
Component Specifications	dv4114
Product Type	Bearing
Signal Type	24
Signal Level	24 V

Description

826-1165 ebm papst DV4114/2N
