

B72214S0600K101

Industrial automation components

Manufacturer	Epcos
Catalog number	b72214s0600k101
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
---------------	----------

Description

Warystor: metalowo-tlenkowy; THT; 60VAC; 85VDC; 100V; 4500A; 17J
