Description

The Euchner MGB-L2-ARA-AC3A1-M-109953 is a multifunctional gate box designed for industrial safety applications. This model features magnetic guard locking with monitoring, ensuring secure access control.

It includes two illuminated pushbuttons for emergency stop functions, complying with ISO 13850 standards. The device offers a mechanical door stop integrated into the evaluation module, facilitating easy adjustment.

LED indicators provide clear system and status information. The MGB-L2-ARA-AC3A1-M-109953 is suitable for use in safety systems requiring reliable guard locking and emergency stop capabilities.
