

A06B-0239-B100

Industrial automation components

Manufacturer	Fanuc
Catalog number	a06b-0239-b100
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Voltage	AC
Component Specifications	a1a1000
Fire Rating	a1000
Product Type	Motor

Description

The FANUC A06B-0239-B100 motor is a high-quality product operating at AC voltage, designed according to the a1a1000 component specification. It features a fire resistance class of a1000, providing added safety in industrial applications. Ideal for various applications, it offers reliability and efficiency.
