

A06B-0590-B002

Industrial automation components

Manufacturer	Fanuc
Catalog number	a06b-0590-b002
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	52.16 kgs kg
---------------	--------------

Description

The A06B-0590-B002 is an advanced industrial product from FANUC, weighing 52.16 kg. It offers reliability and performance in industrial automation applications, making it ideal for integration in robotics and control systems. Its robust design ensures long-lasting use in demanding operational conditions.
