

A06B-6079-H208#EM

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | Fanuc |
| Catalog number | a06b-6079-h208em |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Legacy / discontinued |

Technical specification

| | |
|--------------------------|-------------|
| Weight | 6.60 kgs |
| Voltage | 283 - 325 V |
| Current | 18.7 A |
| Power | 9.5 kW |
| Horsepower | 9.5 KW |
| Cooling Capacity | 9.5 kW |
| Signal Level | 325 V |
| Measurement Range | 283 - 325 |
| Product Type | Drive |
