

A20B-1000-0770

Industrial automation components

Manufacturer	Fanuc
Catalog number	a20b-1000-0770
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	2.91 kgs
Weight	2.91 kg
Dimensions	220 mm x 130 mm x 100 mm
Operating Temperature	0°C to 50°C
Storage Temperature	-20°C to 70°C
Compatible Systems	Fanuc 15A, 15M, 15T control systems

Description

The Fanuc A20B-1000-0770 is a power supply module designed for use with Fanuc 15A, 15M, and 15T control systems, primarily in larger machine tools. This module ensures a stable power supply, contributing to the reliable operation of CNC machinery. It is part of the A20B-1000 series, known for its robust construction and compatibility with various industrial applications. The A20B-1000-0770 is available for purchase through authorized distributors, with options for new, refurbished, or repair services.
