

IC693PRG300

Industrial automation components

Manufacturer	Fanuc
Catalog number	ic693prg300
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Industrial Safety	plc
Safety Level	plc

Description

The IC693PRG300 is a programmable logic controller (PLC) designed with industrial safety in mind. It offers advanced programming features and reliability in challenging industrial environments. Its safety level meets the requirements of modern applications, making it an ideal solution for complex automation systems.
