

IC698CPE020

Industrial automation components

Manufacturer	Fanuc
Catalog number	ic698cpe020
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.91 kgs kg
---------------	-------------

Description

The IC698CPE020 is an advanced industrial controller weighing 0.91 kg, designed for automation and process control applications. Its compact design allows for easy integration into various systems. This controller features high reliability and performance, making it an ideal solution for demanding industrial applications.
