

IC698CRE020

Industrial automation components

Manufacturer	Fanuc
Catalog number	ic698cre020
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.70 kgs kg
---------------	-------------

Description

The IC698CRE020 is an advanced control module from FANUC, featuring a weight of 0.70 kg. This product is designed for use in industrial automation, offering reliability and efficiency in process management. Its construction ensures stable operation in challenging industrial environments, making it an ideal solution for a variety of applications.
