

DHRS-40-A

Industrial automation components

Manufacturer	Festo
Catalog number	dhrs-40-a
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Sensor
---------------------	--------

Description

The DHRS-40-A is a sensor from FESTO, designed for precise measurement and monitoring in industrial applications. Its advanced technology ensures high accuracy and reliability in challenging operational conditions.
