Manufacturer	Festo
Catalog number	pcs-600
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Festo
Part Number	600.104.2 020491
Operating Voltage Range	19 to 33 V DC
Power Consumption	8.0 VA
Operating Voltage	19-33 V DC
Manufacturer	Festo
Part Number	600.104.2 020491

Description

The Festo PCS 600 is a versatile operator panel designed for industrial automation applications. Operating within a voltage range of 19 to 33 V DC and consuming up to 8.0 VA, it offers reliable performance for various control tasks. The panel is equipped with a 600.104.2 020491 part number, ensuring compatibility with Festo's automation systems. Its robust design and user-friendly interface make it suitable for integration into diverse industrial environments, providing intuitive control and monitoring capabilities for automation processes.
