

SE-14

Industrial automation components

Manufacturer	Festo
Catalog number	se-14
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Temperature	60
Measurement Range	20 - 60
Product Type	Converter
Power	11

Description

The SE-14 converter from FESTO is designed for industrial applications, providing a power of 11 kW and a temperature measurement range from 20 to 60 degrees Celsius. The device features high precision and reliability, making it an ideal solution for demanding applications.
