Ask about this product

Manufacturer	Festo
Catalog number	spsb-fb35-weld-rd-sa
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Festo
Part Number	SPSB-FB35-WELD-RD-SA
Product Type	Control Unit
Application Area	Industrial Automation - Welding
Dimensions	50 mm x 107 mm x 80 mm
Weight	6.00 kg
Protection Class	IP65, IP67
Operating Voltage	24 V DC
Ambient Temperature Range	-5 to 50 °C
Storage Temperature Range	-20 to 70 °C
Corrosion Resistance Classification	0 - No corrosion stress

Description

The Festo SPSB-FB35-WELD-RD-SA is a specialized control unit designed for industrial automation applications, particularly in welding processes. Manufactured by Festo, a leading provider of automation technology, this unit offers precise control and monitoring capabilities essential for welding operations. Key features include robust construction, compatibility with various industrial systems, and advanced diagnostic functions to ensure optimal performance and reliability in demanding environments.
