

IC695CPE330

Industrial automation components

Manufacturer	Ge Fanuc
Catalog number	ic695cpe330
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	1.06 kgs kg
---------------	-------------

Description

The IC695CPE330 module is an efficient solution in industrial automation, weighing 1.06 kg. Its design ensures reliability and efficiency in various industrial applications. With a robust construction, this module is suited for operation in demanding conditions, making it a suitable choice for control systems.
