

255-455-01

Industrial automation components

Manufacturer	Heidenhain
Catalog number	25545501
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	1.59 kgs kg
---------------	-------------

Description

The HEIDENHAIN 255-455-01 is a precision component weighing 1.59 kg, designed for industrial applications. Its robust construction ensures reliability and long-lasting performance in challenging operational conditions.
