

324 955-15

Industrial automation components

Manufacturer	Heidenhain
Catalog number	324-955-15
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	0.45 kgs
Product Number	32495515
Brand	Heidenhain
Category	ACCESSORY / OPTION
Description	INTERFACE CARD
Dimensions	45 mm x 315 mm x 130 mm
Weight	0.50 kg

Description

The Heidenhain 324 955-15 is an interface card designed for integration with Heidenhain's Simodrive servo drive systems. This component facilitates seamless communication between the servo drive and other automation equipment, ensuring precise control and operation within industrial automation applications. The interface card is characterized by its compact dimensions—45 mm in height, 315 mm in length, and 130 mm in width—and a weight of 0.50 kg, making it suitable for installations where space and weight considerations are critical. As a product from Heidenhain, a renowned manufacturer in the field of industrial automation, the 324 955-15 upholds the company's commitment to quality and reliability. This interface card is ideal for applications requiring robust and efficient servo drive control, such as in CNC machinery, robotics, and other precision automation systems.
