

353 522-04

Industrial automation components

Manufacturer	Heidenhain
Catalog number	353522-04
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	2.06 kgs kg
Display Size	15 inches
Display Type	LCD
Control System Compatibility	ITNC 530
Integrated Keyboard	Yes
Display Resolution	1920×1080 Full HD
Brightness	500 cd/m ²
Contrast Ratio	1000:1
Response Time	5 ms
Operating Temperature	-10°C to +50°C
Storage Temperature	-20°C to +70°C
Panel Type	IPS

Description

The Heidenhain 353 522-04 is a 15-inch LCD operator interface designed for precision control in industrial automation environments. Manufactured by Heidenhain, a leader in measurement and control technology, this model features a flat-panel display with integrated keyboard, facilitating intuitive machine operation. It is compatible with the ITNC 530 control system, offering color display capabilities for enhanced visual clarity. The monitor's robust construction ensures durability in demanding industrial settings. For detailed specifications and purchasing options, please refer to the product listings provided.
