

360916-01

Industrial automation components

Manufacturer	Heidenhain
Catalog number	360-916-01
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Interface Type	profibus
Product Type	Module

Description

The HEIDENHAIN module with a Profibus interface is designed for advanced communication in industrial automation systems. It provides reliable connectivity and integration with other devices in the network, making it an ideal solution for applications requiring precise monitoring and control.
