

RS20-0800-M2T1SDAE

Industrial automation components

Manufacturer	Hirschmann
Catalog number	rs20-0800-m2t1sdae
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

RS20-0800-M2T1SDAE | Hirschmann, RS20 Series, Industrial Switch, 24 V ac, 74 x 131 x 111 mm | Brand / Manufacturer: Hirschmann | product type: Industrial Switch | series: RS20 | supply voltage: 24 V ac | operating temperature range: 0 to +60 °C
