

## DEA4.2

Industrial automation components

<b>Manufacturer</b>	Indramat
<b>Catalog number</b>	dea42
<b>Category</b>	Industrial automation components
<b>Product type</b>	Industrial automation components
<b>Status</b>	Active product

### Technical specification

<b>Weight</b>	0.35 kgs
<b>Product Number</b>	DEA4.2
<b>Brand</b>	Indramat
<b>Category</b>	Accessory / Option
<b>Description</b>	Digital Interface Card
<b>Dimensions</b>	2 mm x 17 mm x 15 mm
<b>Weight</b>	0.20 kg

### Description

The Indramat DEA4.2 is a digital interface card designed for integration within Indramat's automation systems. Manufactured by Indramat, this component serves as an accessory or option, facilitating digital communication between various system modules. The card measures 2 mm in height, 17 mm in length, and 15 mm in width, with a weight of 0.20 kg. Its compact dimensions make it suitable for installations where space is limited. The DEA4.2 is compatible with Indramat's servo drives and controllers, enabling efficient data exchange and control within the system. This component is ideal for applications requiring precise digital interfacing, such as motion control and automation processes. Its robust design ensures reliable performance in industrial environments, contributing to the overall efficiency and functionality of Indramat's automation solutions.
