

HMV01.1R-W0120-A-07-NNNN

Industrial automation components

Manufacturer	Indramat
Catalog number	hmv011r-w0120-a-07-nnnn
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Regenerative Power Supply Unit
Brand	Indramat
Part Number	HMV01.1R-W0120-A-07-NNNN
Rated Output Power	120 kW
DC Bus Nominal Voltage	700 V
Cooling Method	Internal Air with Integrated Blower
Control Input Voltage	24 V
Protection Rating	IP20

Description

The Indramat HMV01.1R-W0120-A-07-NNNN is a regenerative power supply unit from the HMV IndraDrive series, designed to deliver 120 kW of output power at a nominal DC bus voltage of 700 V. This unit features internal air cooling with an integrated blower, ensuring efficient thermal management in demanding industrial environments. It operates with a 24 V control input and is housed in an IP20 protection-rated enclosure, making it suitable for various automation applications requiring reliable and efficient power supply solutions.
