

3HAA-3560-BBA

Industrial automation components

Manufacturer	Inny
Catalog number	3haa-3560-bba
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	4.54 kgs kg
Weight	4.54 kg
Cable Length	10 m
Manufacturer	ABB
Part Number	3HAA-3560-BBA
Category	Robotics
Description	TEACH PENDANT
Weight	10.00 lbs

Description

The ABB 3HAA-3560-BBA Teach Pendant is a specialized handheld device designed for programming and controlling ABB robotic systems. Manufactured by ABB, this pendant offers a user-friendly interface for operators to interact with robotic arms, facilitating tasks such as teaching positions, programming movements, and monitoring system performance. Its ergonomic design ensures comfortable handling during extended use, while its robust construction withstands the rigors of industrial environments. The pendant is equipped with a 10-meter cable, providing flexibility and mobility for operators during setup and maintenance procedures. This model is compatible with various ABB robotic systems, making it a versatile tool for automation professionals seeking reliable and efficient control solutions. Whether for new installations or servicing existing robotic setups, the 3HAA-3560-BBA Teach Pendant is an essential component for seamless robotic operation.
