

3HAC020043-001

Industrial automation components

Manufacturer	Inny
Catalog number	3hac020043-001
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	6.59 kgs kg
Weight	6.59 kg
Manufacturer	ABB
Robot Compatibility	IRB 6600
Gearbox Type	Reduction Gear
Robot Model Compatibility	IRB 6600
Part Number	3HAC020043-001
Application Area	Industrial Automation

Description

The ABB 3HAC020043-001 is a precision-engineered gear reducer designed for the ABB IRB 6600 industrial robot series. This component plays a crucial role in the robot's axis 2 and 3 movements, ensuring smooth and accurate operation. Manufactured by ABB, a leader in industrial automation, this gear reducer is built to meet the high-performance standards required in demanding industrial environments. Its robust construction and precise engineering make it an essential part for maintaining the operational efficiency and longevity of the IRB 6600 robot.
