

6224NZ10800C

Industrial automation components

Manufacturer	Inny
Catalog number	6224nz10800c
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Signal Type	240
Current	50 A
Frequency	50 - 60 Hz
Signal Level	240 V

Description

The 6224NZ10800C is an advanced product from ASEA BROWN BOVERI, designed for operation in demanding industrial conditions. It offers a current rating of 50, making it an ideal solution for applications requiring stability and reliability. The device supports frequencies ranging from 50 to 60 Hz, providing flexibility in various operational environments. The signal type is 240, and the signal level is also 240, ensuring high transmission quality and operational efficiency.
