

DH361UDK

Industrial automation components

Manufacturer	Inny
Catalog number	dh361udk
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Signal Level	600 V
Relay Specifications	30 A
Current	30 A

Description

The Cutler Hammer DH361UDK relay features a current rating of 30 A and a signal level of 600, ensuring reliable performance across various industrial applications. Its relay specification of 30 guarantees high efficiency and durability, making it an ideal solution for demanding environments. This product is designed with a focus on efficiency and safety, making it an essential component in industrial automation systems.
