

DKC1.1-040-7-FW

Industrial automation components

| | |
|-----------------------|----------------------------------|
| Manufacturer | Inny |
| Catalog number | dkc11-040-7-fw |
| Category | Industrial automation components |
| Product type | Industrial automation components |
| Status | Legacy / discontinued |

Technical specification

| | |
|-----------------------------|-------------|
| Frequency | 50 - 60 Hz |
| Signal Level | 480 V |
| Voltage | 380 - 480 V |
| Current | 40 A |
| Product Type | Drive |
| Signal Type | 480 |
| Relay Specifications | 480 VAC |

Description

PRODUCENT: INDRAMAT
