

DSQC345B

Industrial automation components

Manufacturer	Inny
Catalog number	dsqc345b
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	3.63 kgs kg
---------------	-------------

Description

The DSQC345B is an advanced industrial component weighing 3.63 kg, designed to operate in demanding conditions. Its sturdy construction ensures high performance and reliability in automation applications.
