

I/45CC-2000-5-BZ-N-CD

Industrial automation components

Manufacturer	Inny
Catalog number	i45cc-2000-5-bz-n-cd
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Inny
Part Number	I/45CC-2000-5-BZ-N-CD
Product Type	Encoder
Application Area	Industrial Automation
Resolution	2000 PPR pulses per revolution
Shaft Type	Standard (BZ)
Connector Type	Non-connectorized (N)
Design	Compact (CD)

Description

The Inny I/45CC-2000-5-BZ-N-CD is an industrial automation component designed for precise position sensing in various applications. Manufactured by Inny, a reputable brand in the automation industry, this encoder offers high-resolution feedback essential for accurate motion control. Its compact design ensures easy integration into systems with limited space. The encoder's robust construction guarantees reliable performance in demanding industrial environments, making it suitable for applications requiring precise position tracking and motion control. Please refer to the manufacturer's datasheet or contact Inny directly for detailed technical specifications and compatibility information.
