

KBMG-212D

Industrial automation components

Manufacturer	Inny
Catalog number	kbmg-212d
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.45 kgs
Power	2.5
Signal Level	230 V
Relay Specifications	230 VAC
Voltage	DC
Current	8 A
Product Type	Drive
Signal Type	230

Description

PRODUCENET: KG ELECTRONICS
