

BZ-2RM0018-T4-J

Industrial automation components

Manufacturer	Inny/Other/Andere
Catalog number	bz-2rm0018-t4-j
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Manufacturer	Honeywell
Part Number	BZ-2RM0018-T4-J
Product Type	Standard Basic Switch
Circuitry	SPDT
Actuator	Low Overtravel Plunger
Termination	Solder
Operating Temperature (Min)	-55°C
Operating Temperature (Max)	85°C
Voltage	250 Vac
Contact Material	Silver
Compliance	UL, CSA, ENEC

Description

The Honeywell BZ-2RM0018-T4-J is a standard basic switch from Honeywell's BZ series, designed for simple or precision on/off applications. It features a single pole double throw (SPDT) circuitry, a low overtravel plunger actuator, and solder termination. The switch operates within a temperature range of -55°C to 85°C and is rated for 250 Vac with silver contacts. It complies with UL, CSA, and ENEC standards, ensuring reliable performance in various industrial settings. This switch is suitable for applications such as irrigation systems, semi-trailer trucks, timing devices, office equipment, test instruments, medical/dental equipment, HVAC equipment, manually operated devices, and valves.
