

MCC162-18I01

Industrial automation components

Manufacturer	Ixys
Catalog number	mcc162-18io1
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.22 kgs
Voltage	1.03 V
Component Specifications	mcc162
Temperature	100 °C
Product Type	Module
Signal Level	1.03 V

Description

IXYS MCC162-18io1
