

F61SB-9100

Industrial automation components

Manufacturer	Johnson Controls
Catalog number	f61sb-9100
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.28 kgs
Component Specifications	din2999
Material Grade	AISI 301
Product Type	Switch
Signal Level	230 V
Current	8 A
Pressure	20

Description

FLOW SWITCH, 0.15-46DM³/S, R1" DIN2999 CONNECTION, SPDT CONTACTS, 15(8)A 230V
