

GL-R103F

Industrial automation components

Manufacturer	Keyence
Catalog number	gl-r103f
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	3.00 kgs kg
---------------	-------------

Description

The GL-R103F is an advanced industrial device weighing 3.00 kg, designed for reliability and efficiency in challenging environments. Its robust construction ensures long-lasting performance, while the employed technologies guarantee high signal quality and precise operation.
