Product type	Industrial automation components
Status	Active product

Technical specification

Brand	Keyence
Part Number	OP-88418
Product Type	AC Adapter Cable
Length	10 meters m
Compatibility	SJ-LG series static elimination guns

Description

The Keyence OP-88418 is a 10-meter AC adapter cable designed for use with the SJ-LG series static elimination guns. This ultra-durable, high-power cable ensures reliable operation of the gun-type ionizer, effectively neutralizing static charges in various industrial applications.

The cable's robust construction and length provide flexibility and ease of use in diverse environments. For detailed specifications and compatibility information, refer to the product page on Keyence's official website.
