

## 00-113-032

Industrial automation components

<b>Manufacturer</b>	Kuka
<b>Catalog number</b>	00-113-032
<b>Category</b>	Industrial automation components
<b>Product type</b>	Industrial automation components
<b>Status</b>	Active product

### Technical specification

<b>Product Type</b>	Safety Bus Gateway Module
<b>Compatibility</b>	KUKA KRC2ed05 Controllers
<b>Warranty</b>	24 Months
<b>Mounting Plate</b>	Included
<b>Weight</b>	0.30 kg

### Description

The KUKA 00-113-032 is a refurbished safety bus gateway module designed for KUKA KRC2ed05 controllers. This module facilitates communication between the controller and safety components, ensuring reliable and secure operation of robotic systems. It is fully functional, having undergone thorough testing and refurbishment, and comes with a 24-month warranty. The module is compatible with KUKA KRC2ed05 controllers and includes a metal mounting plate for easy installation. Its compact design allows for seamless integration into existing systems, making it an essential component for maintaining the safety and efficiency of KUKA robotic applications.
