

00-120-402

Industrial automation components

Manufacturer	Kuka
Catalog number	00-120-402
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Safety Circuit Board
Controller Compatibility	KUKA KRC2, KUKA KRC2ed05
Technology	MFC3
Manufacturer	KUKA
Part Number	00-120-402
Category	Podzespoły automatyki przemysłowej

Description

The KUKA 00-120-402 is a safety circuit board designed for KUKA industrial robots, specifically compatible with KUKA KRC2 and KRC2ed05 controllers. This MFC3 Technology Multi-Function Board ensures the safe operation of robotic systems by monitoring and controlling critical safety parameters. Manufactured by KUKA, a leading provider of industrial automation solutions, the 00-120-402 is engineered for reliability and precision in demanding industrial environments. Its compact design facilitates easy integration into existing robotic setups, making it an essential component for maintaining optimal performance and safety standards in automated processes.
