

00-130-547

Industrial automation components

Manufacturer	Kuka
Catalog number	00-130-547
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Teach Pendant Controller
Brand	KUKA
Part Number	00-130-547
Display Size	10 inches
Display Resolution	640 x 480 pixels
Cable Length	10 meters
Operating System	KSS and Sunrise.OS
Compatibility	All KUKA robots running on KSS and Sunrise.OS
Language Support	Multiple languages through KUKA smartPAD

Description

The KUKA 00-130-547 is a Teach Pendant Controller (KCP2) designed for KUKA robotic systems, facilitating precise programming and operation. This device features a 10-inch color display with VGA resolution (640 x 480), providing clear visual feedback for operators. It includes a 6D mouse for intuitive control, allowing for easy manipulation of the robot in three or six degrees of freedom. The pendant is equipped with a 10-meter cable, offering flexibility and reach during operation. Built with integrated protectors, it ensures durability and protection in industrial environments. The KCP2 is compatible with all KUKA robots running on KSS and Sunrise.OS, supporting multiple languages through the KUKA smartPAD. Its ergonomic design and user-friendly interface make it an essential tool for efficient robot programming and operation.
