

00-291-556

Industrial automation components

Manufacturer	Kuka
Catalog number	00-291-556
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Weight	2.40 kgs
Current	1 A
Relay Specifications	1 A
Signal Level	24 V
Product Type	Teach Pendant
Operating Voltage	24 V DC
Current Rating	1 A
Screen Size	8.4 inches
USB Ports	2

Description

The KUKA 00-291-556 Teach Pendant is an advanced control interface designed for seamless operation and programming of KUKA KRC4 robots. This Version 2 model features an ergonomic design with an intuitive capacitive touch display, allowing operators to interact efficiently with robotic systems. The pendant operates on a 24V DC power supply with a current rating of 1A, ensuring stable and reliable performance. It is specifically engineered for KUKA KRC4 robots, making it an essential tool for industrial automation applications where precision and efficiency are paramount. Key features include an 8.4-inch capacitive touch screen, integrated protectors for enhanced durability, and two easily accessible USB ports for straightforward data transmission. The pendant's maintenance-friendly design includes a service flap for easy cable replacement, further enhancing its suitability for demanding industrial environments.
