

E84AYCETV

Industrial automation components

Manufacturer	Lenze
Catalog number	e84aycetv
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Cable Specification	CAT5E
Signal Type	24
Interface Type	ethernet
Product Type	Module
Signal Level	24 V

Description

The E84AYCETV module from LENZE is an advanced device featuring an EtherCAT interface, ensuring high performance in industrial automation applications. It utilizes a CAT5E cable, providing stable connectivity. The module supports a signal level of 24, making it an ideal solution for systems requiring precise control.
