

E94AZCUS

Industrial automation components

Manufacturer	Lenze
Catalog number	e94azcus
Category	Industrial automation components
Product type	Industrial automation components
Status	Active product

Technical specification

Product Type	Inverter
Interface Type	usb

Description

The LENZE E94AZCUS inverter is an advanced device that utilizes a USB interface for communication. It provides efficient control of industrial processes, allowing precise adjustment of operating parameters. Its design is optimized for performance and reliability, making it an ideal solution for various applications in automation.
