

EVF9325-EVV004

Industrial automation components

Manufacturer	Lenze
Catalog number	evf9325-evv004
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	2.88 kgs
Voltage	480 V
Signal Type	480
Signal Level	480 V
Frequency	50 - 60 Hz
Component Specifications	evf9325
Product Type	Inverter
