

BFX1022

Industrial automation components

Manufacturer	Lovato
Catalog number	bfx1022
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.01 kgs
Voltage	690 V
Current	10 A
Component Specifications	bfx1022
Signal Level	690 V
Relay Specifications	10 A

Description

BFX1022 | Brand / Manufacturer: Lovato
