

TS-400-224B

Industrial automation components

Manufacturer	Mean Well
Catalog number	ts-400-224b
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Voltage	AC
Power	400
Chemical Composition	ER: 200 %
Product Type	Inverter
Signal Type	24
Signal Level	24 V
Relay Specifications	230 VAC

Description

Przetwornica: DC/AC; 400W; Uwyj: 230VAC; 21÷30VDC; 205x158x67mm
