

15-050W ER17330V/3,6V

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	15-050w-er17330v36v
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

No technical specifications available.

Description

15-050W ER17330V/3,6V | Brand / Manufacturer: MITSUBISHI
