

A1S64TCTT-S1

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	als64tctt-s1
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.28 kgs
---------------	----------

Description

A1S64TCTT-S1 | Mitsubishi, Temperature Sensor, Thermocouple | Brand / Manufacturer: Mitsubishi | product type: Temperature Sensor | type of sensor: Thermocouple
