

A1SY18A

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	alsy18a
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.32 kgs
---------------	----------

Description

A1S-Y18A | Mitsubishi, Output Module, 8 Output, 240 V ac | Brand / Manufacturer: Mitsubishi | product type: Output Module | number of results: 8 | module type: Output | supply voltage: 240 V ac
