

AD75P2-S3

Industrial automation components

Manufacturer	Mitsubishi
Catalog number	ad75p2-s3
Category	Industrial automation components
Product type	Industrial automation components
Status	Legacy / discontinued

Technical specification

Weight	0.37 kgs
---------------	----------

Description

AD75P2-S3 | Mitsubishi, Motion Controller, 2100 mA | Brand / Manufacturer: Mitsubishi | product type: Motion Controller | supply voltage: 3.6 V | current rating: 2100 mA
